

The [Arizona Technology Council](#) (AZTC), [Arizona Commerce Authority](#) (ACA) and [Arizona Cyber Threat Response Alliance](#) (ACTRA)/[Arizona InfraGard](#) host the fourth annual Cybersecurity Summit on Thursday, May 3, 2018 at the Hilton Scottsdale Resort and Villas.

The Cybersecurity Summit is an opportunity for government and business leaders to learn about the threats, vulnerabilities and consequences related to data security and privacy matters. Join the Council for this educational summit that provides actionable solutions, as numerous AZTC and ACTRA member organizations showcase their available resources, products and services geared toward helping protect your intellectual property and customer data. There will be panel discussions, keynote speakers, sponsor expo and other exceptional presentations. **To register to attend this great event [click here](#).**
